Dear Parents,

Firstly, thank you for all your support with term 5 home learning.

Our topic for this term is the seaside, where the children will be comparing the town and the seaside. The Lighthouse Keeper's Lunch and Katie Morag stories will be the focus of our English lessons.

The children will also have an opportunity to support their learning this term by having a visit from the living eggs company.

PE will continue to be on a Wednesday this term, please ensure your child has their kit in school.

Thank you for your continued support with your child's reading at home.
