Week 1	Week 2	Week 3	Week 4	Week 5	Week 6
--------	--------	--------	--------	--------	--------

Be as creative as you can. You can use the internet or books to help you. If you need help with any of the activities, please ask your teacher for more detailed instructions.

Dear Parents,

This term's home learning is linked to our topic of Ancient Greece and our class text is Greek Myths.

To support children's learning, the home learning grid inside this booklet is designed to allow choice and freedom to add more information to their class study. Some activities require adult supervision, which we have noted in the activity box. Each time that an activity is completed please shade it in on the grid. You can also upload Home Learning tasks to your Seesaw account each week.

PE is on a Tuesday for Year 4. PE kit should be brought in at the beginning of term and taken home to be washed on the last day of term as additional sports activities often present themselves.

Children are expected to read their reading book for at least ten minutes every evening: these books will be within their Accelerated Reader level and children will be expected to complete a quiz on completion. Spellings will be sent home weekly with a spelling and times table test on a Friday.

Thank you for your continued support.
