

Learning at Home Grid – Year 3 (Issue 7)

Key: Purple Mash (PM), Mathletics (M)

Everyday	English	Maths	Topic and Science
Spellings Spelling rule: 's' sound within word spelt ce <ul style="list-style-type: none"> Complete the LSCWC spelling grid in your pack. Ask your adult to help you complete the dictation exercise in your pack. Complete the online spelling quiz. *See below for more ways to practise your spellings.	Write a character description of a character from the book you are reading. Describe their appearance and personality. Remember to use a range of sentences openers – ‘They look like... They look like... They look like...’ is not very exciting.	Geometry: Vertical, Horizontal and Diagonal Lines Identify each type of line. Draw shapes made of a) straight lines, b) curved lines, c) a mixture of both. Problem solving: Which letters of the alphabet belong together in a group? Explain why. Worksheets for all of these activities are in your pack.	Science: Natural art Collect a few leaves or petals from your garden. Place them between 2 pieces of paper or a piece of spare white material. Using a stone bash the leaves and petals through the paper. Write a short report detailing what you see when you open up the paper or material. There is a reporting page in your work pack.

Times Tables Keep focusing x3, x4 and x8 and revisit x10, x5 and x2 often. Practise your multiplication and division facts by completing the Multiplication Triangles worksheets in your pack. There are pages for x10, x5, x2 and x3, x4, x8. Go to 2Simple Table Toons on Purple Mash and listen to the variety of songs for learning the x3 and x4 and x8 tables.	Create a poster comparing your life today with life as a Roman child. How has diet, clothing, housing schools and hobbies changed over time? Explain these changes and use comparative language such as: similarly, like, yet, different from and compare to.	Geometry: Vertical, Horizontal and Diagonal Lines Study the Union Jack carefully and you will see that it has vertical, horizontal and diagonal lines. Challenge: Create your own flag using a mixture of vertical, horizontal and diagonal lines. A flag design page is in your work pack. 	Research the world's countries. Choose one and write a fact file about it. Can you locate it on a map? What interesting facts can you find? How is it similar or different to England?
Computer option Complete the Recall 2Do, Musical Chairs 2Do and the Speed Test 2Do for x3, x4 and x8. PM	Computer option PM	Computer option 2Do: 2Paint: Flag design with vertical, horizontal and diagonal lines PM	Computer option Search 'Country Fact Files' and choose one to write about PM
Reading: Find time to read quietly by yourself every day. Find time to share a book with a family member too. Practise reading aloud to others – your adults, your brothers or sisters, your pet or even your favourite toy! Be guided by the punctuation, use different character voices and use your voice to interest and engage your listener. *Spellings: <ul style="list-style-type: none"> Create a piece of artwork using your spelling words. Write them in different colours, sizes and styles. Test a partner. Read out the spelling words, making sure you say a sentence using the word in its correct context as well. Mark their spellings. Did they get 10/10? ☺ Discuss the spelling errors. Why is it spelt wrong? How can you correct it? Did they apply the spelling rule? 	Write a setting description of somewhere in Folkestone you look forward to visiting after lockdown. It could be the beach, the cliffs or your local park. Describe the colours, textures and how you feel when you are there. 	Geometry: Parallel and Perpendicular Lines Draw sets of parallel lines. Identify parallel lines in different 2D shapes. Identify perpendicular lines. Which letters of the alphabet have parallel or perpendicular lines? Worksheets for all of these activities are in your pack.	The Romans adopted the Greek sundial as a way of telling the time. Using things you can find at home, can you create your own sundial? Draw a clock face and glue it on something flat. Stick something upright in the centre and the shadow will tell you the time! Be sure to position the sundial with the "12" pointing north to determine the current time. 
	Computer option 2Do: 2Publish : Setting Description PM	Computer option What line am I? M	Computer option Search 'sundial' and follow instructions PM
	Many fairy tales have magic in them. Write your own <u>rhyming</u> spell, use The Song of the Witches by William Shakespeare to help you! Double, double toil and trouble; Fire burn and caldron bubble. Fillet of a fenny snake, In the caldron boil and bake; Eye of newt and toe of frog, Wool of bat and tongue of dog,	Geometry: Parallel and Perpendicular Lines Find real life objects that have parallel and/or perpendicular lines. Draw or photograph those objects and label the sets of parallel and perpendicular lines. A recording page is in your pack.	Respond to a letter from Georgie who is really struggling with lockdown, she is sad and misses her friends and teachers at school. What advice can you give her to feel better and what activities she can do.
