

Read at home every day.

<p>Measuring length/height</p> <p>Can you find 5 things to measure e.g a book, your shoe, a pencil, a teddy, a bag? You could use lego bricks to measure with. You could use a ruler (cm). Try to guess (estimate) first.</p>	<p>Ordering length/height</p> <p>See the colour by size worksheets. Which is the longest? shortest? tallest?</p> <p>After colouring you could try measuring using lego bricks or a ruler (cm).</p>	<p>Daily BBC bite size home learning.</p> <p>https://www.bbc.co.uk/bitesize/tags/zjgqg3/year-1-and-p2-lessons/1</p> <p>You could try to do one or more activities daily.</p>	<p>Number bonds to 10.</p> <p>Every day ask an adult to write down 5 addition or subtraction "sums" e.g 9-3= or 7+3 = At first you will need to use counters to help you. You could time how long it takes you to do all 5 sums each day.</p>
<p>Traditional tale - Little Red Riding Hood.</p> <p>Can you make your own book to retell the story?</p> <p>https://www.worldbookday.com/videos/little-red-riding-hood-2/</p>	<p>Character description</p> <p>Draw or look at a picture of Red Riding Hood and try to describe her in your own words. An adult could write down what you say.</p> <p>Or you could try to complete the character description work sheet.</p>	<p>Non-Fiction Wolves</p> <p>Find out 3 facts about real wolves. Put these facts with pictures/drawings onto an information poster. I would love to put them up in class.</p>	<p>Have you noticed that wolf and wolves are spelt differently?</p> <p>Draw 1 wolf and then a pack of wolves and label correctly.</p> <p>Try to read and spell these words.</p> <p>Can you think of any other plural words that end with ves?</p>
<p>Continue to look at your High Frequency Word sheet.</p> <p>How many of them can you read and spell now?</p> <p>Try to learn to read and spell 3 new words.</p>	<p>Lots of stories have a hero in them. Which is your favourite story? Can you think of a real person (celebrity, family member, neighbour, friend) who is your hero? Draw them (or photo) and tell someone why they are special.</p>	<p>Think about a healthy picnic lunch that Red Riding Hood could take to her Granny. Draw and label the food and drink.</p> <p>See healthy lunch template.</p>	<p>I wonder what type of cake Red Riding Hood's Granny liked best?</p> <p>Ask a grown up if you can help to bake a cake.</p>
<p>https://www.stem.org.uk/resources/collection/468110/robin-hood-mat-learning-projects</p> <p>This is a free home learning resource. Look at the Sport Learning Project for EYFS and/or KS1 . Try to do at least 2 of the practical activities from the "to be done throughout the week" activity grid.</p>	<p>Growing plants from the things you throw away.</p> <p>Collect the seeds from the fruits that you eat. Plant them and observe how they grow. Take photos or draw pictures.</p> <p>Tomatoes and peppers usually grow quite easily.</p>	<p>Design a flower pot.</p> <p>See template design worksheet.</p> <p>You might like to paint or decorate a real plant pot but make sure you ask a grown up first!</p>	<p>Label a picture of a flowering plant with roots, leaves, stem, petals, flower.</p> <p>See the Twinkl cut out and stick together flower resource sheet.</p>
