

Year 3 Home Learning Grid Term 1 Our topic this term is: **Our World of Water**

- ❖ Practise your times tables at home every week. For times tables, use the PiXL app or try <https://www.topmarks.co.uk/maths-games/hit-the-button>
- ❖ Complete **at least** one activity from the grid per week and colour the box in as they are completed. This is a 7 week term so aim to complete 7 pieces of homework.

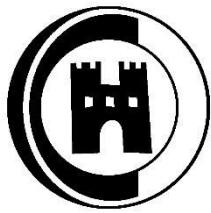

Create a poster showing all of the different ways we use water in our homes.	Build your mental maths skills by repeatedly throwing 2 dice and adding the 2 numbers together in your head.	Investigate which materials would be best for building a sailing boat.	Make a picture collage of different bodies of water that exist on the planet. For example, rivers, lakes, the sea etc.	Create a poster, showing the numbers 1 - 10 in French.	Draw a landmark in your class' town (Dungeness or Woodchurch) then find out and record 3 interesting facts about it.
How can we stay safe online? Write a set of E-safety rules for display on the iPad caddy.	Write a book review for a book you have written at	Britain has many great inventors, design something you would like to create which would make life better. Explain how it works and what is good about it.	Write a poem about the wonderful water that exists in our world. Seas, oceans, rivers, lakes, ponds - water, water, everywhere!	Time yourself and see how many star jumps you can do in 1 minute.	Explore Place Value activities on Mathletics at home.
Use the sun and your body to create shadows on the ground. Photograph or sketch yourself doing this activity.	Draw a picture of 5 animals that live in or around the same water environment.	Create an information poster about washing your hands. Why is washing hands important? When should you do it and how?	Make 3 digit cards, for example, 2, 5 and 8. How many different 3 digit numbers can you make by rearranging the order of the digits?	Make a poster translating greetings into French. For example, hello, goodbye.	Make a clock with moving hands to put on our Time Team display.

Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7
--------	--------	--------	--------	--------	--------	--------

Be as creative as you can. You can use the internet or books to help you. These are some websites that can help you with your homework:

Castle Hill
Community Primary School

Dear Parents,

This term's home learning is linked to our termly theme – Our World of Water.

The Home Learning Grid inside this booklet is designed to allow children choice and freedom to add more information to their school learning. Some activities may require adult support and supervision. One piece per week is required from all children.

PE will be every Monday afternoon. Please ensure your child has a full PE kit in school every day as we sometimes have extra sporting activities.

Thank you for your continued support.

Mrs Budd and Ms Page.
